A Message from the Director. U.S. Census Bureau

The Census Bureau is visiting Yavapai County as part of the 2020 Decennial Census. The decennial census counts everyone in the United States, including people who live or stay in nontraditional living situations such as RV parks, marinas, campgrounds, racetracks, carnivals and hotels/motels. The Census Bureau data collected determines how more than \$675 billion of federal funding are spent on infrastructure, programs, and services each year.

Please allow the census interviewers access to your location to knock on the doors of the occupied units at this location, so that they may attempt to speak with the residents of those units. The census interviewers will work efficiently with minimal disruptions to the residents. Each interview will take approximately 10 minutes.

The Census Bureau is required by law to protect your information (Title 13, U.S. Code, and Section 9). The Census Bureau is not permitted to publicly release your responses in a way that could identify anyone at your facility.
