CDBG

In January 2015 the Town of Dewey Humboldt applied for FY2015 Community Development Block Grant (CDBG) Rural Assistance funds in the amount of \$266,693 for drainage and sidewalk improvements as prioritized by the Town Council for Blue Hills Farm #3 road and drainage improvements and Huron Street sidewalk extension at the school area. The original amount awarded to the Town has in-

creased to \$309,153.

Surveys of area residents in these two areas are being finalized to meet the low-income persons and area requirements of the grant funding. If you still have an outstanding survey that you would like to submit, please contact Deni Thompson at 632-7362. The Town appreciates the residents' participation in this project. The Dewey-Humboldt CDBG applications for Huron Street Sidewalk extension and Blue Hills Farm Road and Drainage Improvement will be finished in early June and delivered to the Arizona Department of Housing. The environmental review and contracting process should follow in late fall and design to be done this winter. The projects are expected to be bid out next spring with construction expected in summer 2016. There will be opportunities for the Town Council and the public to review the details of the project throughout the process. We are excited about the potential improvements taking place in these areas.

COMMUNITY NEWS:

HUMBOLDT ELEMETARY STUDENTS PARTICIPATE IN THIRD ANNUAL PIONEER DAY

Fourth-, fifth- and sixth-graders participated in another lively Pioneer Day on May 8th at the school. The Dewey-Humboldt Historical Society (DHHS), in collaboration with others, provided a variety of activities for the children. Students enjoyed Cowboy Poetry and "Cat's Cradle" presented by Don Fernwald, and Jody Drake portrayed Sharlot Hall to share her perspective on life as a pioneer woman. There was a blacksmith and wool spinner, the Gold Prospectors Association offered hands-on gold panning instruction, and leatherworker Steve Long of Double H Leatherworks in Prescott Valley provided students with pieces of leather and an array of stamps to use.

DHHS members offered displays and education relating to historical tools, a mining diorama, windlasses,

smelting, weaving, historical photos and rock identification. The Brush Arbor Revival band performed historical, cowboy and gospel music throughout the morning. In the afternoon, the Arizona Rough Riders reenactors gave students a glimpse into the lives of Teddy Roosevelt, Bucky O'Neill and the Rough Riders and their uniforms, tack and gear. DHHS members led sixth graders on the "Walk Through Time" tour of old Humboldt, its buildings and surroundings. The tour ended with a visit to the Museum.

Thank you to Sue Palacios and the DHHS volunteers, and to all our community participants for making this another memorable Pioneer Day.

MINE TOUR & BBQ

On May 9th the Dewey-Humboldt Historical Society held their second annual Mine Tour & BBQ out in the Bradshaw Mts. The word got out with all the advertising that was available. Calls were still coming in the day of the event wanting to get on the list; no one was refused. The volunteers from the Society were excited to have the commu-

nity interested in and looking forward to taking a Mine Tour with Kevin Leonard, John Young, and Phillip Condrey. The group of Prospectors from the PHX chapter GPAP came out to show how to pan for Gold and they raffled off a Gold Nugget with the proceeds going to the Historical Society. Country Gospel Music from the Orchard Ranch, Blue Grass and just good ole country music was enjoyed by all. The BBQs were

fired up with hamburgers and hot dogs, and plates were filled with delicious food. The kids enjoyed the Mule rides and some learned how

to do some trick roping. The weather was wonderful after it had been so threatening the day before, and a great time was had by all. We plan to do it again next year!

HUMBOLDT ELEMETARY SCHOOL'S GARDEN

The Bradshaw Mountain Lions Club of Dewey-Humboldt has spent many afternoons this Spring helping to develop and maintain Humboldt Elementary School's Garden, Habitat and Hiking Trails. Activities have included constructing a compost bin, weeding, raking, planting trees, shrubs and flowers, watering, fixing drainage pipes, consulting on sink and plumbing and soon, installing gutters and converting a unused septic tank to rainwater storage. No task is too daunting! Garden director and HES music teacher Bart Brush and volunteer Sandy Geiger are grateful for their help and interest and Lions Club members enjoy the service and the garden goodies!

- 2 cloves Garlic, minced
- 1/3 cup Lemon Juice
- 1/4 tsp each, Salt & Pepper
- 1/3 cup Parsley
- 16 jumbo Shrimp, shelled & deveined
- 4 medium Zucchini (ends trimmed)
- 12 Mushrooms, with 1 1/2" caps

Gone But Not Forgotten

FOR YOUR INFORMATION:

From: ABC 15 (Phoenix)

A new report from the federal government puts Arizona near the top of a rather undistinguished list, states with the highest rates of fraud and identity theft. According to the latest rankings from the Federal Trade Commission, Arizona is now ranked 9th overall when it comes to identity theft. We're 16th when it comes to fraud schemes.

Both fraud and identity theft are growing at an alarming rate across the United States. But when it comes to city rankings across the U.S., the Sierra Vista-Douglas area in southeast Arizona is number one for fraud, making it tops in the country per capita. Prescott comes in 10th and the Phoenix-Mesa-Scottsdale area ranks 25th.

The ABC15 Investigators did a breakout of the types of fraud happening in Arizona. They found imposter scams are the most prevalent, followed by bogus debt collection and phony bank and lender schemes. Telephone and auto-related fraud round out the top 5 on the list. When it comes to identity theft, stolen information lifted from government documents and benefits rank first and second on the list, followed by stolen credit card information. Phone and utility schemes come in fourth, while bogus banking scams come in fifth.
