**COUNCIL SPECIAL SESSION
2735 S. HWY 69**

**COUNCIL CHAMBERS, TOWN HALL
DEWEY-HUMBOLDT, ARIZONA**

AGENDA

The issues that come before the Town Council are often challenging and potentially divisive. In order to make sure we benefit from the diverse views to be presented, the Council believes that the meeting be a safe place for people to speak. With this in mind, the Council asks that everyone refrain from clapping, heckling and any other expressions of approval or disapproval. Council may vote to go into Executive Session for legal advice regarding any matter on the open agenda pursuant to A.R.S. 38-431.03 (A) (3), which will be held immediately after the vote and will not be open to the public. Upon completion of Executive Session, the Council may resume the meeting, open to the public, to address the remaining items on the agenda. Agenda items may be taken out of order. Please turn off all cell phones. The Council meeting may be broadcast via live streaming video on the internet in both audio and visual formats. One or more members of the Council may attend either in person or by telephone, video or internet conferencing. **NOTICE TO PARENTS:** Parents and legal guardians have the right to consent before the Town of Dewey-Humboldt makes a video or voice recording of a minor child. A.R.S. § 1-602.A.9. Dewey-Humboldt Council Meetings are recorded and may be viewed on the Dewey-Humboldt website. If you permit your child to participate in the Council Meeting, a recording will be made. You may exercise your right not to consent by not permitting your child to participate or by submitting your request to the Town Clerk that your child not be recorded.

Message from the Town Manager and Staff

The Honorable Mayor, Town Council and Citizens of Dewey-Humboldt:

Staff is pleased to present the budget for Fiscal Year 2012-2013. This budget is the result of months of dedicated work by all of us here in Dewey-Humboldt.

The municipal government of the Town of the Dewey-Humboldt operates under a council-manager form of government. The 7 member elected Town Council provides legislative directives, establishes town policy and monitors its execution by the town staff. The Town Manager serves as the Town's chief administrative officer and is responsible for directing the day-to-day administrative operations of the Town. The Town encompasses 23 square miles of area, with a population of 3,894.

Fiscal Year 2011-12 has seen excitement and challenges both financially and operationally. Looking to the coming year, the overall financial forecast is positive for Fiscal Year 2012-2013. Revenues appear to have a slight increase thanks to the slow economic recovery. Operational expenditures are forecast to see a reasonable decrease primarily due to reduction in personnel costs and efficiencies in otherwise very costly operations, such as road maintenance.

In early 2012, The Town welcomed several key staff members: the Town Manager, an Administrative Assistant, a Town Accountant and a Public Works Operator. Under the Town Council's direction, the staff team will continue its dedicated service to our citizens, through practical but effective management and operational approaches.

It is true that Dewey- Humboldt is a young town whose youthful exuberance has made us a special place. The following pages are inundated with information about the unique challenges that a young town faces. Even so, as the Town evolves, I believe there is much to look forward to in the future.

Being a new addition to the Town, I wish to express my gratitude to past councils, management and staff for today's organizational foundation. I also invite our readers to contact me should you have comments or suggestions about this document.

Sincerely,

Yvonne Kimball

Town Manager

Chapter 1: The Town Leaders and Its Staff

Town Council:

The Town Council serves Dewey-Humboldt's citizens as elected representatives and provides for the orderly government of the Town. The Town is a general law town organized in December 2004 under Arizona Revised Statutes (ARS) Title 9, Chapter 2, Article 3.

The Council's Vision:

Dewey – Humboldt Vision 2028 A Statement Describing the Next Twenty Years

The Town of Dewey-Humboldt was created in 2004 to preserve the low-density lifestyle that area residents came to enjoy, and were fearful of losing. People live in Dewey-Humboldt because they like a slower pace, more elbow room, and a more rural character. They like the freedom to be themselves, to respect and be respected regardless of their role in the community. They like the view of the mountains and want to know the skies will be clear, the water clean, and the air fresh. Keeping these attributes will make Dewey-Humboldt a jewel in the quad-cities.

We know and expect that...

1. Our population will grow in conformance with the General Plan. People will be attracted by our low-density residential community and small-town lifestyle.
2. Some commercial enterprises will be needed to help support the Town's population, but the locations of those businesses should be focused and concentrated.
3. Non-industrial type home-based businesses will be part of the future growth.
4. Some property owners will want to maximize the value of their land and make it available for development.
5. Water supply will be a limiting factor in our growth and development. We need to emphasize water conservation and reuse.
6. With increased growth, transportation and circulation needs to be well planned.

No one can stop change from coming and not all change is bad. Therefore, we, the Town Council, will focus any changes we're asked to support on meeting the following fundamental criteria.

We promote...

1. Broad, inclusive and effective involvement by residents in all planning activities.
2. Development that will foster the look and feel of openness and protect the viewscape.
3. Codes, laws, standards and regulations that balance the rights of the individual and low-density residential living with the rights of the collective population.
4. Protection and non-destructive use of our natural resources including the surrounding mountains and hills, natural open space, public lands, rivers, and streams.
5. A balanced, cost-effective outlook to maintain a healthy environment and future development.
6. Public safety and the quiet enjoyment of this wonderful place by all that live or visit here.

Town Boards, Commissions, and Committees

Town Boards and Commissions provide support to the Town Council by acting on Council's behalf on important issues by providing recommendations to the Council. The Town's committees are formed by Council resolution, in accordance with the Town Council Rules and Procedures. This year's budget provides for comprehensive Council training, including the annual Council retreat for policy development, training for all members of the Planning and Zoning Commission through the annual Arizona Planning Association Annual Conference, and additional funds for committee training and projects.

The Town Council, its boards, commissions, committees and its staff adhere to the following **VALUES**:

- ⊕ **Active Citizenship** – each Dewey-Humboldt citizen has the right and responsibility to participate in the governance of the Town.
- ⊕ **Sustainable Development** – the land regulated by the Town should be developed such that it remains at least as valuable in future generations as it is today, *ceteris paribus*, with no additional external resources.
- ⊕ **Creating Community** – Town activities should tend to create mutual respect and understanding between citizens; shared resources like air, the river, the mountains, and the feeling of openness should be preserved by governance, public investment, and celebration.
- ⊕ **Self-Reliance** – whenever civil, each person should earn the benefits and bear the burdens of his or her own actions.
- ⊕ **Efficient Public Services** – the few services of the Town should be delivered as efficiently and fairly as possible, with strong fiscal discipline.
- ⊕ **Limited Public Services** – the Town should only deliver those public services that cannot be efficiently provided by the private sector.
- ⊕ **Durable Public Improvements** – the Town should deliver public services with the expectation that the Town will live for as long as the State of Arizona exists.

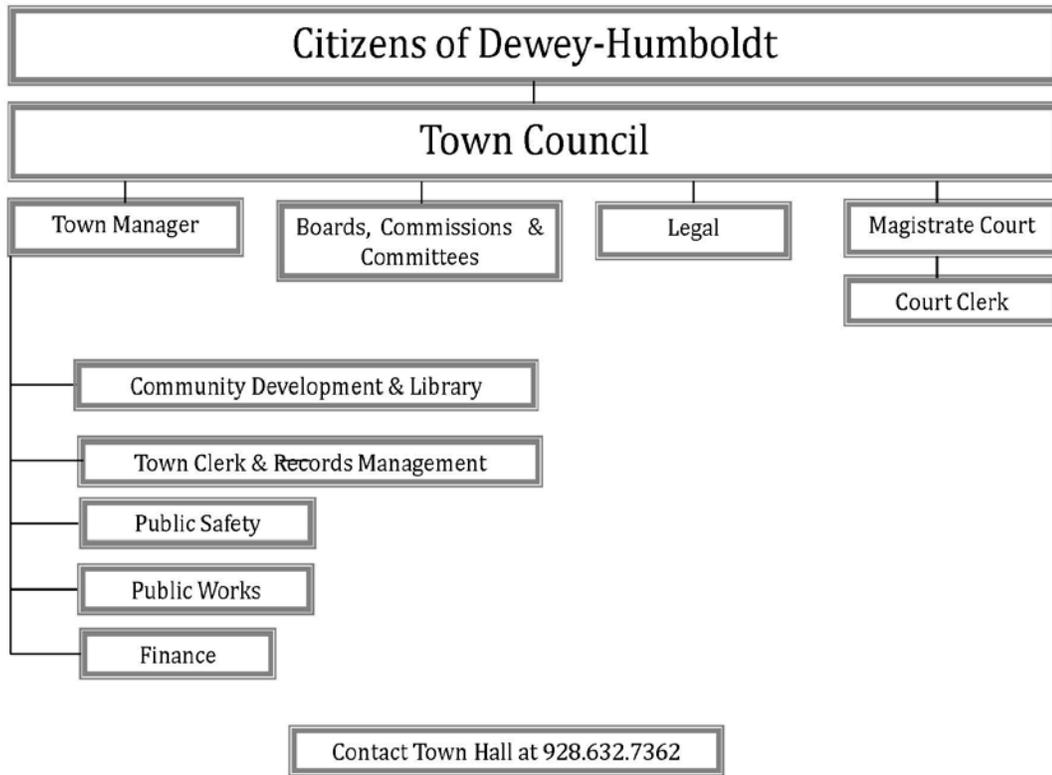

Town Staff

FY 11-12's budget provided for 10 employees, including 2 part time positions. As a result of personnel changes and re-organization, the FY 12-13 budget proposes 10 employees in total, 2 of which are part time positions. FY 2012-2013 budget proposes a 2.325% Cost Of Living Adjustment and up to 1.675% merit increase for eligible employees.

The Town's Departments / Offices are: Magistrate Court, Town Manager, Town Clerk, Finance, Community Development and Public Works. The library and public safety services will continue to be provided through contracts with Yavapai County agencies.

The Town also utilizes private firms for professional advisory and technical services, such as legal counsel, on call engineers, auditing and technology support.

Organizational Chart

Chapter 2: Budget Overview

FY 2012-13 Budget Introduction

The Town's budget is comprised of three funds: the General Fund, the HURF Fund and the Grant Fund. The General Fund is the Town's chief operating fund which can be used for the Town's general operation. The Town's general fund revenues are derived from state shared revenues, local sales tax revenues, permit fees, fines and miscellaneous charges and donations. The "Highway User Revenue Fund" (HURF Fund) is compiled from tax money collected from gasoline and diesel fuel sales, and other transportation related fees. It is, thereby, required by State Statutes that the use of HURF revenues are to be limited to projects within the public right of way. The Grant Fund is the Town's option for counting on potential grant revenues which are specific in their usage. In FY 12-13, we are hoping for grants for purposes such as transportation and other infrastructure acquisition and improvement projects.

Unlike some other municipalities in the State, the Town of Dewey-Humboldt does not impose property taxes. Its revenues rely heavily on state shared revenues and local sales tax revenues. For the General Fund, the Town receives most of its regular income from a share of state income tax and state sales tax. The Town also collects local sales taxes (2% for general retail and 1% for construction).

The overall economy has a definite impact on the Town's budget. The current slow recovery is predicted to bring slightly higher revenues to the Town. However, factors like the anticipated rise in fuel prices would constitute a threat to the Town's current operating budget.

On the expenditure side, the State of Arizona imposes an expenditure limitation on all cities and towns each year; each municipality's total expenditure, including money from all funds, must not exceed this limit. In FY 12-13, the limitation is \$4,100,902 for the Town of Dewey-Humboldt.

FY 12-13 Budget Data Summary: revenue and expenditure

The FY 2012-13 total budget, including all funds is \$4,100,803. Historically, FY 2011-12's total budget was \$3,998,000, FY 2010-11 was \$4,591,000.

The total operational revenues (including the General Fund expected revenue and the HURF expected revenue) are \$1,632,000 in FY 2012-13. The General Fund Revenue is expected to be at a total of \$1,370,000 which is a slight increase from FY2011-12's \$1,335,200; the expected HURF total is \$262,000, down from \$268,400 in the previous year.

FY 2012-13's budget proposes a total expenditure (including capital projects) in the amount of \$1,695,505 (General Fund and HURF). \$262,000 under the HURF for engineering and construction costs for fog coating, crack-sealing and or chip-sealing roads, \$70,000 also is re-budgeted to improve sections of Kachina Pl. Please see Page 26 for detailed public works Road Level of Service Chart. FY 2012-13's budget also hopes for \$1,896,646 in the Grant Fund for various projects. See Page 28 for Capital Improvement Project Chart.

Additionally, the Town's Principles of Sound Financial Management Policies requires certain amounts of contingency and reserve funds be set aside each year. For FY 2012-13, the Town funds a contingency of \$508,652 (30% of the General Fund and HURF expenditures); FY 2012-13's budget is

also able to set aside \$654,920 for operational reserve (40% of the average of the total General Fund and HURF revenues for the proceeding 5 years).

The Town has no current debt obligations and no capital lease payments. The basis of budgeting for all funds is the same as the basis of accounting principles used in the annual audit.

Budget Function Descriptions

Town Council and Management

This General Fund expenditure unit covers expenses by the Town Council, its board, commission and committees, and the Town manager.

FY 2011-12 has been an eventful year. Some events were of budgetary significance:

- The Town's current Council was seated in June 2011.
- Upon the departure of several employees, the Town welcomed some new employees in key positions in 2011, including the Town Manager, the Administrative Assistant, the Accountant, and the Public Works Operator.
- The Town has secured and conducted the ADOT funded "Planning Assistance for Rural Area" transportation study. This study outlined the current transportation circulation status and proposed future recommendations.
- The Town was awarded with a total of \$599,258 in Community Development Block Grants and the fund is utilized for road improvement projects in the "Old Town" Humboldt area. The project will continue into FY 2012-13.
- The Town Council allocated \$10,000 to establish the first ever community park at Butte St. right of way.
- The Town began looking into land-banking and possible property purchase for town facilities.
- The Town also secured a few small grants in 2012, such as an APS grant for park equipment and a State funded summer intern program.

Looking ahead into FY 2012-13 (July 1, 2012 – June 30, 2013):

- 2013 is an election year for the Town of Dewey-Humboldt.
- In FY 2012-13, the Town Manager's focus is on the "nuts and bolts" of the operation in order to strengthen the foundation to meet future challenges. Under the Town Council's direction, the management desires to:
 - establish a streamlined organizational structure;
 - update the town codes, especially sections pertaining to land uses;
 - establish or update operational procedures and internal policies;
 - emphasis customer services;
 - work closely with the community to address daily issues.

Municipal Court (Town Magistrate)

The Town Court budget unit accounts for costs associated with the judicial branch of the town government. The Town Court consists of one Judge, one court Clerk, one contracted prosecutor and one contracted public defender. The Judge of the Town Court hears cases involving violations of town ordinances, civil and criminal traffic cases, and misdemeanor cases that occur within the Town limits. The court also issues orders of protection, injunctions against harassment and marriage licenses. In 2012, the magistrate Judge filled in for the "hearing officer" position to hear some code appeals and violations. The expenditures are funded by the general fund revenues.

In the following years, with the support of other town staff, the court personnel will vigorously collect past-due fines. The public prosecutor's contract will be renegotiated. The Court staff may also assist with Town Code update.

Town Clerk's Office

This Office acts in an administrative capacity for processing, maintaining and protecting the official records of the Town, providing courteous and timely customer service to the Council, staff and the public. The Town Clerk's office is the source of information on Town Council legislation and actions. The Town Clerk's office also conducts all municipal elections, assists the Town Council in administering the appointment of members to serve on various Town boards, commissions, and committees, and provides special services to the public, including notary services.

The Town Clerk's Office consists of the Town Clerk and an Administrative Assistant who is also sharing duties with other departments. In addition to personnel cost and records related operating cost, this budget unit also accounts for state of art technologies such as the Granucis live meeting streaming and minutes-taking tool and the Laserfish system for record archiving and searching. The Town's monthly newsletter cost is also included in the Clerk's budget.

This past year, the Town Clerk's office has taken on additional responsibilities during the absence of a Town Manager and other key staff members. In the coming year, the Office will conduct a mayor and council candidate election, continue developing searchable electronic versions of existing records and continue assisting other departments in their service delivery.

Community Development & Library Services

This budget unit is responsible for the functions of library services, land use administration, building safety, code enforcement, and various community outreach programs.

The Town provides **library services** through an Inter-Governmental Agreement (IGA) with the Yavapai County Library District. The library operates 40 Hours a week including weekend and evening hours. It also provides numerous programs for citizens of all ages. The annual IGA cost is \$36,143 for FY 2012-13. The library facility is in a leased building with an annual rent of \$12,105.

Community Outreach programs seek to involve the community in the preservation of the Town's culture and quality of life. Activities include a roving dumpster program (to assist residents with the abatement of common household items and landscaping debris) and recycle bins open daily for the residents.

Land Use/Zoning Administration handles short range and long range planning and zoning activities. Staff provides direct support to both the Planning and Zoning Commission and the Board of Adjustment. The land use and zoning codes are expected to be updated in FY 2012-13.

Building Safety consists of following functions: building plan application and review, inspections and permit issuance for all development projects. Those functions are handled together by the Town staff and Yavapai County's building inspection team. The Town staff handles permit application intake, permit requirement related consultation and permit violations while Yavapai County's building inspection team reviews the plans, performs inspections and issues the permits. This arrangement was established in 2010.

The Department has gone through some personnel changes last year. It is currently staffed by one full time position and one part time position. In FY 12-13, two full time positions are proposed. Some amount is budgeted to utilize contract services for complex projects.

Public Safety

Dewey-Humboldt's public safety program is managed through an Inter- Governmental Agreement (IGA) with the Yavapai County Sheriff's office. FY 2012- 13's IGA maintains the previous years' level of services which provides for 1 deputy Sherriff to the Town for 20 hours per day between the hours of 6 am and 2 am daily (rotation of 3 full time Deputy Sherriff positions). The Yavapai County Sherriff's Department also provides related ancillary and support services, such as sergeant supervision, dispatch services, and animal control services. This year's total IGA cost is \$357,111, a 1.54% increase from last year mainly due to payroll increases.

Finance

The Finance Department budget unit accounts for the overall financial administration of the Town. Services provided by the Finance Department include: accounts payable, accounts receivable, payroll, financial reporting, budgeting, data processing and grant administration.

There have been two positions budgeted for the Finance department since FY 2009-10. The Department has been operating with one accountant since late 2010. The department also underwent transitions last year until a full time accountant was hired in early 2012. FY 2012-13 proposes to eliminate the second full time position; instead staff from the Clerk's Department will share some financial duties. Some money is also budgeted for retaining financial consultants.

Under the Town Manager's direction, Finance staff will focus on establishing daily operational procedures, increasing accountability and accuracy and employee cross training.

Legal Counsel Services

The Town of Dewey-Humboldt utilizes the services of an outside law firm to serve as legal advisor to the Town on matters including but not limited to zoning contract, public bidding, personnel, water, real estate and environmental; they also represent the Town in all legal proceedings. The Town Attorneys prepare town ordinances, resolutions, leases, contracts and other legal documents. In addition, they provide legal opinions to the town.

In FY 2012-13, the Town Attorneys will assist the Town in updating the Town Code.

Enterprise Technology

The Town of Dewey-Humboldt utilizes the services of an outside IT firm to develop and coordinate the use of technology across various programs of the town government and maintain the Town's technology capacity to ensure that accurate and timely information is provided to residents, elected officials, management, and staff. The Town takes pride in its capability of utilizing state of art technologies for service delivery and records management. This budget unit accounts for the costs

involving technology investments and asset maintenance and updates. FY 2012-13 budget allows for renewal of a variety of software and one replacement server.

Public Works

The Public Works Department promotes safety while maintaining and developing the Town's infrastructure to preserve the rural atmosphere. Public Works is charged with overall street maintenance, providing direction and support to capital improvements, maintaining data on all Town infrastructure and assuring compliance with pertinent town codes.

This Department's expenditure is made up by two budget units under General Fund and HURF: Engineering and Maintenance. The General Fund funds all personnel expenses and the costs for town facilities (rents, maintenance and utilities), Park and Recreation services and general supplies for all town offices. The HURF portion is designated for maintenance and development of the Town's roadway infrastructure (i.e. roads, rights-of-way, culverts and river crossings).

Two positions are under this Department: a Public Works Supervisor and a Public Works Operator. An on-call engineering firm supplements services when needed.

The town owns 38 miles of paved roads and 12 miles of dirt (unpaved) roads. The Town plans to perform as many road maintenance tasks as possible in house in order to reduce cost and improve accountability. FY 2012-13's total road related operational expenditures (funded by HURF) are \$332,000, including \$70,000 for the re-budgeted Kachina Pl. project. Please see Page 26 and 27 for details.

The Town intends to only maintain public roads that have been dedicated to the Town via documents on record with the Yavapai County Recorder's Office. Roads with questionable ownership or roads that were not built to Town standards will be maintained, with a lower level of priority. Roads that are clearly in private ownership are not maintained at this time.

The Town's roads have been an operational priority for the Public Works Department. FY 2012-13's budget continues to commit to a higher level of maintenance standards to both the paved *and* dirt roads. Some highlights are:

- Increasing maintenance on existing chip-sealed roads by patching them and preparing them for single chip seal in future years (to be conducted by utilizing continuing contract services).
- Increasing frequency of dirt road grading (combination of in-house and continuing contract services).
- The on-going Kachina Pl. project once again is included in this year's budget. \$40,000 was budgeted in FY 2011-12's budget; but in anticipation of delay and extension of the original scope of work, \$70,000 was included in FY 2012-13.
- Promoting a higher level of maintenance by preserving 3 miles of existing "black" roads with fog coating and crack sealing (to be conducted by utilizing continuing contract services).

Suggested roads for crack sealing:

Main St. from Highway 69 to Third St.

S. Coral St. from Prescott St. to Elementary school entrance.

Old Black Canyon Highway from Prescott St. to S. Edds Sand Trl.

Meadow Rd. from Foothills Dr. to dirt road transition.
Martha Way from Henderson to dirt road transition
Wicklow Dr. from Newtown Rd. to Cranberry Rd.

Suggested roads for fog coating:

Antelope Dr. from Kachina Pl. to dirt transition
Dewey Rd. from Kachina Pl. to dirt transition
Grantham Way from Kachina Pl. to Montezuma Dr.
McAllister Dr. from Manzanita Dr. to Dewey Rd.
Montezuma Dr. from Manzanita Dr. to Dewey Rd.
Manzanita Dr. from Kachina Pl. to dirt transition at Pinto Pl.
Blue Ridge Rd., White Dr. and Eagle Dr. Loop

- New in this year's budget: Single chip seal approximately 3 miles of existing "black" roads in addition to CDBG funding covered 2 mile double chip seal road project in down-town Humboldt area. As a result, in FY 2012-13 over 5 miles of existing "black" road proposes to be repaired by chip sealing. It is approximately 1/7 of total town-owned paved/chip sealed roads. Suggested road sections are:
 - Sierra Dr. from Quarterhorse Ln to Trails End
 - River Dr. from Highway 169 to Sierra Dr. and Deer Pass intersection (suggest some hot patch repairs before chip-sealing)
 - Kachina Pl. From Horseshoe Ln. to the hill at Nancy Dr. (suggest a little hot patch repair prior to chip-sealing)

The total road related expenditures, including the cost for the newly proposed single chip seal projects, are \$332,000 which is funded by HURF's operational revenues and fund balances.

SB 1442

- Current Legislative Impacts
- Brief Update of Current Events in Yavapai County & Verde Valley Cities and Towns
- Update on the Yavapai County Water Advisory Committee and CHYWRMS
- Overview of Statewide Issues / Water Jeopardy
- General Wrap-Up
- Next Meeting Date and Location

2:30 p.m. Adjourn

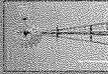

Both water Tax .02 per gallon
Sales tax .025 %

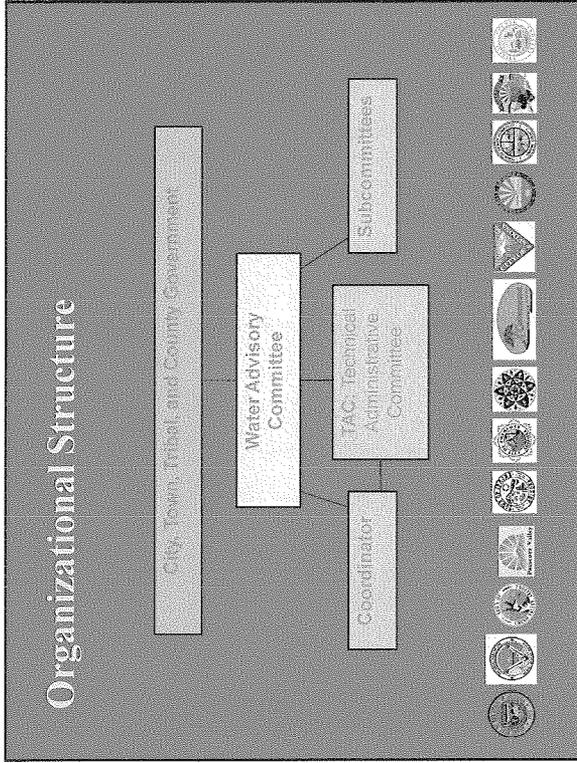

KA

WAC Key Objectives:

- 1. Identify and promote Yavapai County regional water management and conservation strategies that ensure sustainable use of water supplies, enhance economic vitality and that protect the base flows of the County's rivers and streams.
- 2. Maintain strong communication links among federal, tribal, state, county, local government, individual citizens and all other stakeholders.
- 3. Promote education regarding water resource knowledge and promote informed use of water resource studies and planning tools.
- 4. Monitor and analyze enabling legislation that will provide a local basis for management of water resources.

<http://www.yavapai.us/bc-wac/>

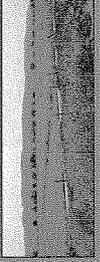

Regional Water Issues

- Understand the Hydrogeologic system
- Groundwater Pumping
- Legal Issues (e.g. Right to Water in Verde Valley)
- Meet Demand of Growing Population throughout County
- Develop Predictive Tools – Planning Confidence
- Protect Rivers and Streams
- Maintain or Improve Regional Economy
- Plan Locally

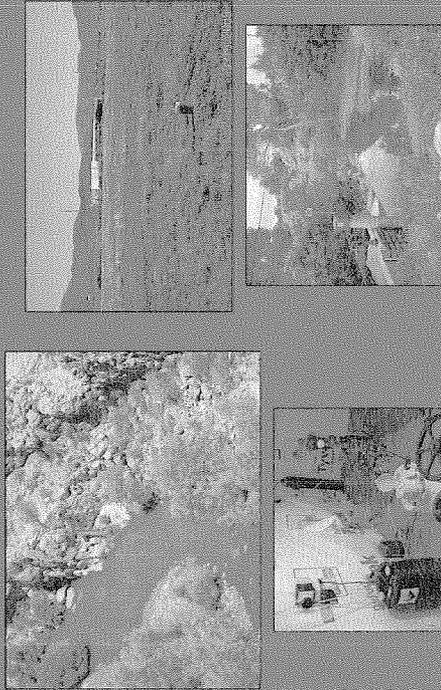

Water Advisory Committee Benefits for Region

- Because we are making plans locally, others can't "fix our problem"
- Shared knowledge of the issues, statewide and in each community
- Better understanding of each community's needs and goals.
- Common Goals – regional context, factual information, situational awareness, confident decisions, viable outcomes, secure long-term water supply
- Planning & Management Tools – Confidence
- Shared Resources – Leveraged Funding
- Maintain Communication Links (Relationships & Trust)
- Economics of Water

Importance of Long Term Data Records

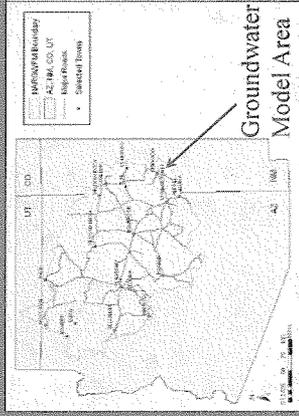

Northern Arizona Regional Groundwater Flow Model (USGS) (cont.)

- The primary objectives of the model are to
- (1) develop a single ground-water flow model to represent the entire ground-water system,
 - (2) evaluate the current conceptual understanding of the ground-water system using the numerical ground-water flow model,
 - (3) provide boundary conditions for nested models, and
 - (4) identify the most significant data gaps that reduce the accuracy of the numerical ground-water model and its ability to simulate the ground-water system.
 - (5) Address specific questions (e.g. evaluate inter-basin (BC-VV; VV-CP) and intra-basin interactions (Aquifer Storage; Baseflow))

CYHWRMS – Phase I Demand Analysis

- Define Area
- Develop list of water providers
- Water Demand (evaluated for each Water Provider)
- Present Population
- Future Population
- Present Water Demands
- Present Water Resources (source and amount)
- Future Demands

Questions:

Are there demands that will be unmet in 2050?
Where?
How much?

Do we have unmet demands in 2050?

Yes

- Unmet 2050 demand for the entire study area = about 50,000 acre feet
- (best expressed as a range: 45,000-80,000 acre feet depending on calculation method)
- If the study area is broken down into groundwater sub-basins

	Verde Valley	PrAMA (Little Chino and Upper Agua Fria)	Big Chino
Status Quo	-11,886	-31,677	-2,909
Water Budget 1	-25,658	-54,182	-201
Water Budget 2	-21,898	-41,085	3,119

CYHWRMS: Demand Analysis – Estimated Supplies, using components from existing water budgets

SUB-BASIN "Water Balance 1" APPROACH -

Verde Valley Sub-basin:
Inflow (167,000) – Outflow (baseflow out 144,100) = 22,900 AF available
22,900 – 48,558 (2050 Demand) = -25,658 (unmet 2050 demand)

Little Chino/Upper Agua Fria (PrAMA):
Inflow Natural Recharge (8,070) – Outflow (4,850) = 3,220 AF available
3,220 – 57,402 (2050 Demand) = -54,182 (unmet 2050 demand)

Big Chino Sub-basin:
Inflow (30,300) – Outflow (17,900 baseflow out) = 12,400 AF available
12,400 – 12,601 (2050 Demand) = -201 (unmet 2050 demand)

How did the TWG get to these figures?

Septic	No	No	No
Mine Drainage	No	No	No
Brackish/Saline	Yes	Yes	Yes
Flood Water	Yes	Yes	Yes
Storm Water	Yes	Yes	Yes
Effluent	Yes	Yes	Yes

Within Study Area

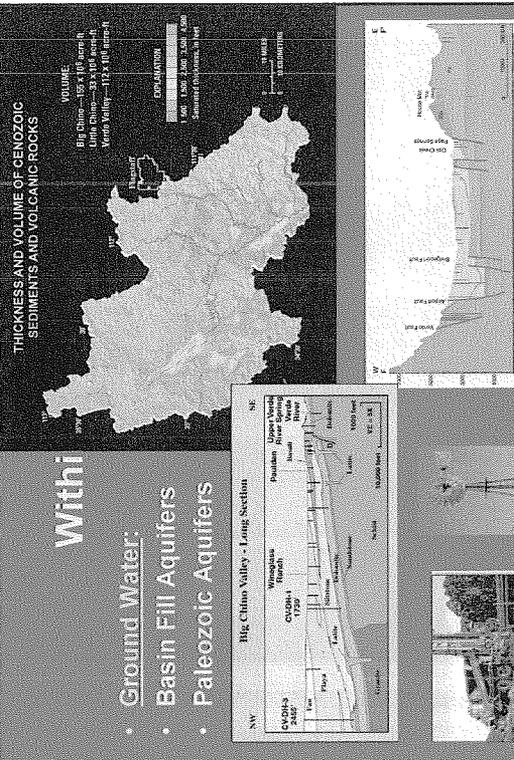

- Surface Water: Rivers and Streams
- The analysis of Statements of Claimant (SOCs) and surface water filings in the Verde and Agua Fria Watersheds concludes that existing claims for surface water far exceed available supply. Therefore, with the exception of major flood events (see Flood water section); new sources of surface water are not available within the study area to meet new water demands.

Sierra Club-USFS

Within

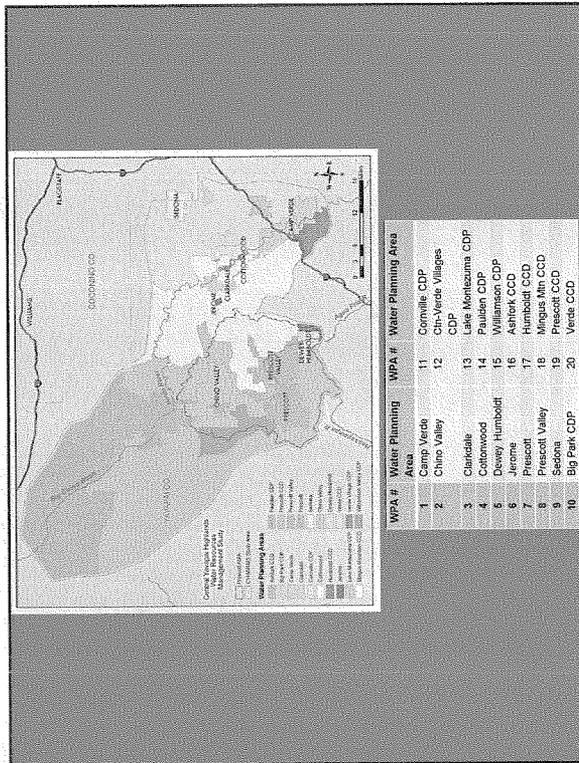

- Ground Water:
- Basin Fill Aquifers
- Paleozoic Aquifers

Within Study Area

- Flood water is generated in tributaries in each of the sub-basins and is available to be developed as an additional supply in the study area. Water supply developed from the collection and storage of unappropriated flood water is dependent on high flow events and will be relatively unreliable. Additionally, this supply will likely be quite expensive and may have many issues associated with location of diversion and potential exchanges on the Verde River.

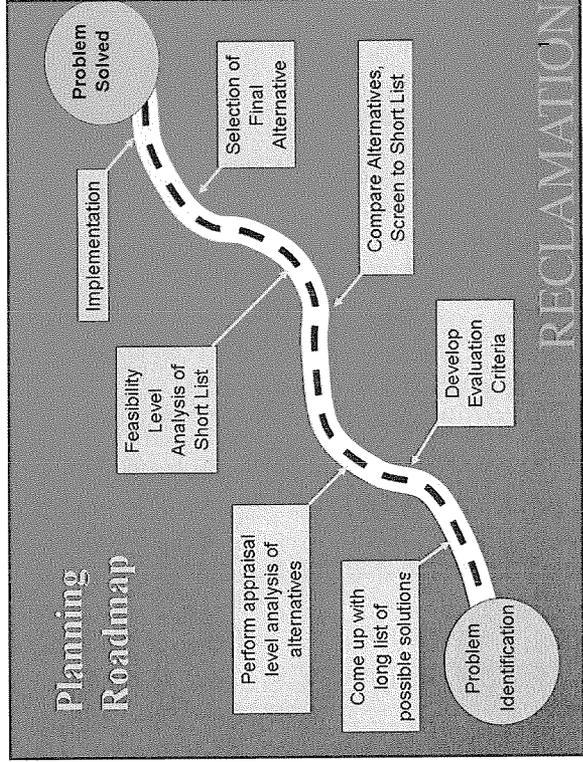

Water Supply	Alternative #	Planning Area
Groundwater	1	Inside the Study Area

Phase 3 Process

- List and Describe Alternatives (reviewing sections and compiling document)
- Prepare appraisal level costs (tables/documentation) (to serve as relative comparison of alternatives – not absolute costs)
- Describe Environmental issues associated with Alternatives (document/maps – reviewing finals)
- Describe Legal and institutional issues associated with the Alternatives (document - review)

CYHWRMS What's Next

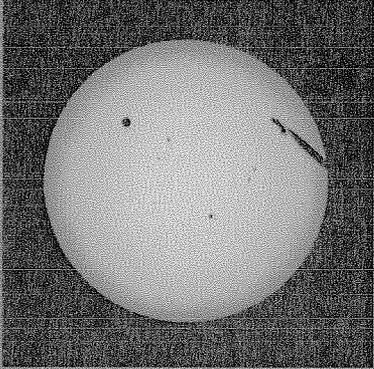

- Phase 1 and 2
 - Review final reports and tables
 - Understand and discuss
 - Additional Summary Tables (with amounts)
- Complete Phase 3 (current priority)
 - Review, discuss and understand Phase 3
 - Alternative Formulation
 - Alternative Analysis
 - Alternative Evaluation

Question: Is there at least one alternative that can meet the unmet demands?
 Question: Is there a Federal Interest in the identified alternatives?
 Question: Do communities want to pursue any alternatives?

- Phase 4
 - Final Report Formulation

TOWN COUNCIL SPECIAL SESSION MEETING
June 26, 2012– 10:00 a.m. Town Council Meeting Chambers

Agenda Item 3.3 Sign Code Moratorium Discussion. Review, discussion and possible action.

To: Mayor and Town Council Members
From: Yvonne Kimball, Town Manager

Date submitted: June 21, 2012

Recommendation: Lifting current Sign Code Moratorium

Summary:

On May 10, 2011, the Council reinstated the sign code moratorium until the sign code's revision was completed and in effect (minutes attached). May 10, 2011's decision appears to be the latest regarding the moratorium.

At June 19's meeting, the Council did not accept the sign code as presented. The Council directed the sign code to be further revised by the Planning and Zoning Commission. As a result of the reinstated moratorium, no sign code is in effect to guide daily activities.

I recommend the Council lift the moratorium so that staff has guidelines on sign matters to follow during the interim period. Otherwise, staff asks for clear directions on how to handle sign code related applications in the interim.

**TOWN OF DEWEY-HUMBOLDT
TOWN COUNCIL
SPECIAL SESSION MEETING NOTICE
MAY 10, 2011, 2:00 P.M.**

A SPECIAL SESSION MEETING OF THE DEWEY-HUMBOLDT TOWN COUNCIL WAS HELD ON TUESDAY, MAY 10, 2011, AT TOWN HALL AT 2735 S. HIGHWAY 69, DEWEY-HUMBOLDT, ARIZONA. MAYOR LEN MARINACCIO PRESIDED.

1. **Call To Order.** The meeting was called to order at 2:02 p.m.

2. **Roll Call.**

2.1. Town Council. Town Council Members Mark McBrady, David Hiles, David Nystrom, Terry Nolan (arrived late at 2:13 p.m.), Nancy Wright; Vice Mayor Denise Rogers (arrived late at 2:04 p.m.); and Mayor Len Marinaccio were present.

3. **Special Agenda.**

3.1. Records Retention for Audio and Video Recordings. Guests Lisa Maxwell, Division Director and Linda Reib, Electronic Records Archivist, with ASLAPR to answer the Town's request for permanent retention of Video and Audio Recordings. Discussion and possible action.

Lisa Maxwell and Linda Reib were in attendance to answer question. There was discussion. Public Comment was taken on this item from Jack Hamilton (recommended a 5-year retention for video and audio recordings). Councilmember Wright made a **motion** to bring this issue back to the Council before the 5-year period is up to decide whether to extend or start that destruction, seconded by Councilmember Nolan. The motion **passed** by a unanimous vote. Staff will institute a policy whereby this deadline will be notated and it will go before council before destruction of those records.

3.2. Public Works Proclamation. Mayor Marinaccio read the proclamation.

3.3. Sign Code. Discussion of sign code revision and consideration of a moratorium on sign code enforcement. Discussion and possible action.

Public Comment was taken on this item.

Chris Berry spoke on the grace period for complying with old or new sign code, and permit costs. He announced a business summit on Main Street on May 23rd.

Jack Hamilton spoke on collection of fees during the suspension of the Sign Code.

Nadine Penn spoke on the businesses up on Main Street and her concerns regarding Council and Staff.

Councilmember Nolan made a **motion** to reinstate the moratorium as it was previously written until the new sign code is in effect, seconded by Vice Mayor Rogers.

Councilmember McBrady made a **motion** to amend the moratorium to expire on either December 31, 2011 or when the new sign code has been approved, seconded by Mayor Marinaccio. The motion **passed** by a 5-2 vote, Councilmember Nolan and Nystrom voting against.

A vote was taken on the motion to reinstate the moratorium. It **passed** by a 5-2 vote, Councilmember Nolan and Nystrom voting against.

3.4. Commercial Design Standards. Discussion of potential modifications to the Commercial Design Standards.

Councilmember Wright made a **motion** to send this to the Planning and Zoning Commission for them to work on, seconded by Councilmember McBrady. The motion was **withdrawn**.

Vice Mayor Rogers made a **motion** to bring this to a joint Council and P&Z Work Session before sending it to P&Z so they can establish the direction, seconded by Councilmember Nystrom. The motion **passed** unanimously.

3.5. FY2012 Budget Deliberation. Discussion and possible action.

Councilmember Wright made a **motion** to table this agenda item to a work session, seconded by Councilmember Nolan. The motion **passed** unanimously.

3.6. Ratify decision to terminate Gary Blair, a probationary employee.

There was discussion. Town Attorney Susan Goodwin answered Council questions.

Public Comment was taken on this item from Jack Hamilton who spoke on providing information for the public regarding this.

Councilmember Hiles made a **motion** to approve the ratification of the termination of Gary Blair, a probationary employee, seconded by Mayor Marinaccio. The motion **passed** by a 5-2 vote, Councilmembers Nystrom and Wright voting against.

3.7. ADOT Issue for Council Direction. Discussion regarding the Town's efforts to lower the speed limit on Highway 69.

Councilmember Nolan made a **motion** to go into Executive Session, seconded by Vice Mayor Rogers. The motion **passed** unanimously. The Council convened into executive session at 4:20 p.m.

4. Executive Session. Upon a public majority vote of the members constituting a quorum, the ***Council may hold an Executive Session that is not open to the public for the following purposes.***

4.1. Discussion or consideration of dismissal of employee (Gary Blair) of the town, pursuant to ARS 38-431.03 (A)(1).

4.2. Discussion or consultation with the Town Attorney in order to consider its position and instruct its attorneys regarding the Town's position regarding the pending litigation or settlement discussions conducted in order to resolve the litigation of Dewey-Humboldt v. ADOT, pursuant to ARS 38-431.03 (A)(4).

4.3. Discussion with designated representation of the Town to consider its position and instruct its representative regarding the lease of real property for Town Hall purposes, pursuant to ARS 38-431.03 (A)(7).

When the Executive Session ends, Council may act on any matter considered in this Agenda.

5. Return to Open Session. The Council convened back into Open Session at 5:34 p.m. Councilmember McBrady recused himself from 4.3 and returned to the dais at 5:34 p.m.

4.2 Discussion or consultation with the Town Attorney in order to consider its position and instruct its attorneys regarding the Town's position regarding the pending litigation or

settlement discussions conducted in order to resolve the litigation of Dewey-Humboldt v. ADOT, pursuant to ARS 38-431.03 (A)(4).

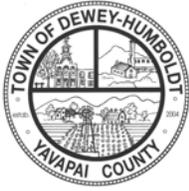

Councilmember Nolan made a **motion** to authorize the Town Attorney to dismiss the litigation against ADOT, seconded by Councilmember Nystrom. The motion **passed** unanimously.

6. **Comments from the Public.** None.
7. **Adjourn.** The meeting was adjourned at 6:35 p.m.

Len Marinaccio, Mayor

TOWN COUNCIL SPECIAL SESSION MEETING
June 26, 2012– 10:00 a.m. Town Council Meeting Chambers

Agenda Item 3.4 “Zoning Administrator” confirmation. Discussion and possible action.

To: Mayor and Town Council Members

From: Yvonne Kimball, Town Manager

Date submitted: June 21, 2012

Summary:

In the Town’s zoning code (section 153 of the Town’s Code of Ordinances), “zoning administrator” is frequently referred to for duties of enforcing the zoning codes and the authority of giving minor modifications or adjustments to certain requirements of the zoning codes (town code 153.012 (F)). Arizona Revised Statutes defines the position by stipulating that “the legislative body shall establish the office of zoning administrator; the zoning administrator is charged with responsibility for enforcement of the zoning ordinance.” (A.R.S excerpt attached)

It was my understanding that in the past, the former town managers or their designees had assumed the duties of the Zoning Administrator at the Council’s direction. I believe it was an appropriate arrangement, yet individuals who had held those positions have changed over the years. I would like to confirm that the town manager (being myself at this time) or my designee would continue assuming the duties of the “zoning administrator”.

ARS 9-462.05. [Enforcement](#)

A. The legislative body of a municipality has authority to enforce any zoning ordinance enacted pursuant to this article in the same manner as other municipal ordinances are enforced.

B. If any building structure is erected, constructed, reconstructed, altered, repaired, converted or maintained or any building, structure or land is used in violation of the provisions of this article or of any ordinance adopted pursuant to the provisions of this article, the legislative body of the municipality may institute any appropriate action to:

1. Prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use.
2. Restrain, correct or abate the violation.
3. Prevent the occupancy of such building, structure or land.
4. Prevent any illegal act, conduct, business or use in or about such premises.

C. By ordinance, the legislative body shall establish the office of zoning administrator. The zoning administrator is charged with responsibility for enforcement of the zoning ordinance.

D. By ordinance, the legislative body shall establish all necessary and appropriate rules and procedures governing application for zoning amendment, review and approval of plans, issuance of any necessary permits or compliance certificates, inspection of buildings, structures and lands and any other actions which may be considered necessary or desirable for enforcement of the zoning ordinance.
