

RESPONSES TO VISIONING EXERCISE

July 19, 2021 General Plan Assessment Steering Committee Meeting

Agenda Item 12: Presentation & Discussion of Potential Refinements
to The Adopted 2009 General Plan Vision

PROMPT: 20+/- years from now, how would you describe Dewey-Humboldt when encouraging someone (a friend, a relative, another person) to visit the Town?

-
- Artwork integrated into development and the context of the site
- Dewey-Humboldt does not have to be everything to everyone
- Identify Growth Areas
- Integrity should rule all decisions of this committee and the General Plan
- Maximize opportunities for outdoor involvement
- Public Transportation Access
- Internet Access
- Jobs / Diversity of economic activities
- Water Availability
- Revenue stream to support the General Plan
- Develop and Grow Business
- Cool pavement
- Stormwater and drainage
- More access on the west side of SR69 (Blue Hills)
- Deal with the Superfund site and community safety
- Quiet Town
- Night Sky/Dark Sky policies that respect property rights
- Robust Town center that is compelling
- You know you are in someplace special when you set foot in Town
- Quality of life is most important
- Emphasis on youth, education, and trade – Developers become assets to the community
- Plans for an aging population (recreation and pickleball courts for example)
- Shade
- Preserve and revitalize the historic downtown
- Think about how we are affected by our neighbors and the impacts they have on our vision for Dewey-Humboldt
- Agriculture is always part of the Town
- Arizona's Top Country Town
- Recognize Mortimer Farms as an asset
- Tourism recognized as an asset
- The General Plan should be flexible
- The Town needs adequate staff to implement the plan
- Dewey-Humboldt should be an orderly place that makes sense
- Respect for people's property rights
- Respect for rural history
- Low density
- Recognize, preserve, and rehabilitate/restore historic resources
