Library District Branches Return to Full Service

Starting Monday, August 30th

Location: Yavapai County

All fifteen District Libraries will return to full service beginning Monday, August 30th. Patrons will be able to visit their community branch libraries in person, to browse shelves and use public computers, etc., once again. We recommend all patrons follow CDC guidelines for sanitizing hands and keeping a physical distance of 6 feet. Wearing a mask over nose and mouth is recommended in the library. Curbside pickup service is still available at all District branches for patrons who prefer not to come into the library.

Please do not come to the library if you are experiencing COVID-19 symptoms.

Visit ycfld.org to find your library's hours and contact info. Call your District library branch with any questions. District branches are located in Ash Fork, Bagdad, Beaver Creek, Black Canyon City, Clarkdale, Congress, Cordes Lakes, Crown King, Dewey-Humboldt, Mayer, Paulden, Seligman, Spring Valley, Wilhoit, and Yarnell.

#####

The Yavapai County Free Library District (YCFLD) operates fifteen branch libraries, most in unincorporated communities. The YCFLD also partially funds individual municipal libraries and fully funds [Yavapai Library Network \(YLN\)](#) operations, supporting a consortium of more than 50 public, academic, school and museum libraries in Yavapai County.

YCFLD was established in 1987 by the Yavapai County Board of Supervisors.
