YAVAPAI COUNTY 2032 COMPREHENSIVE PLAN

In February 2021, Development Services launched our Community Vision Statement Survey for Yavapai County that had over 900 responses within the three-month period it was open. In August of 2021 we launched four more Element Surveys including Dark Skies, Open Space, Food Sustainability, Water Resources and Cost of Development. [This link](#) will take you to a variety of surveys for each of the Elements that will include a dashboard displaying the most current data collected from your responses. These dashboards have various ways to filter results by either Zip Code or Community name, you can select multiple zip codes or communities at once. These results were submitted by you, our Community members and we are truly appreciative of your participation in the Comprehensive Plan and the development of our great County. If you know someone who may be interested, please forward this website link to your family, friends, and neighbors and have them click "[Get Involved](#)" to be added to our mailing list for upcoming meetings, new surveys.

- A comprehensive plan is a document that contains a shared community vision for where to grow and what to protect in the future. The Yavapai County Comprehensive Plan (Yavapai 2032) is primarily a land-use plan (blueprint), providing policy guidance about where growth is appropriate and what form it should take.
- The 2032 Comp Plan Update includes goals and policies for the following topic areas, described as "Elements" in the Plan, each with its own chapter. Land Use, Growth Areas, Transportation, Water Resources, Energy, Open Space, Environmental, and Cost of Development, and Implementation Elements.
- By incorporating these policies into one policy document for the whole county, the Development Services Department can administer and implement these policy protections more easily and effectively. [Comprehensive Plan Update Survey Results \(arcgis.com\)](#)

NEWS FROM TOWN HALL

2022 VOLUNTEER OF THE YEAR

Everyday Dewey - Humboldt volunteers generously give their time and service to help others. Now here is your chance to give back by nominating a deserving individual for his/her outstanding service through the Town's Volunteer of the Year program.

Who is eligible?: The nomination is open to all Dewey-Humboldt residents who have volunteered in 2022. Nominees need to have been volunteers as individuals or for organizations that directly benefit the citizens of the Town of Dewey-Humboldt.

Nomination Process: The process is simple. State the Nominee's name, what work has been done as a volunteer and/or the volunteer organization where the Nominee volunteered. Briefly describe why you believe the individual should be nominated, such as how his/her efforts volunteering in the specific organization have made a profound difference in citizens' lives. Each Nominee should be submitted on a separate form. Only one nomination per submission please. Nominations can be delivered to Town Hall via in person, U.S.P.S., emailed to bethevans@dhaz.gov or faxed to 928-632-7365. **The deadline for submissions is Thursday, June 30, 2023 at 5:00 pm.**

Honoree Selection: The Town Manager appoints a Citizen Committee to review the Nominees and make recommendations to the Town Council, who then decides whether to accept the recommendation. The Citizen Committee shall be comprised of a diverse group of individuals/organizations who are involved in the community. Members do not have to be a Dewey-Humboldt resident. Mayor John Hughes will be the Council's liaison with the Citizen Committee and will serve on the committee as an arbitrator only. Nominees will be judged on the outstanding service performed/donated by the nominee to the citizens of Dewey-Humboldt. This includes the amount of time and effort spent by the nominee; whether the nominee was nominated for more than one service; and, whether the nominee was nominated by more than one person for their service.

Recognition: The Honoree of the "Volunteer of the Year" Award, along with all that have been nominated, will be recognized by the Town Council at an upcoming Town Council meeting where they will be awarded certificates of appreciation. Nominees' guests and other dignitaries will be able to express their appreciation for the Nominee. The Volunteer of the Year plaque will be updated with the Honoree's name and date. This plaque is displayed in Town Hall. This is a wonderful way for the Town to express its sincere appreciation for our volunteers and a great opportunity for volunteers to inspire others through their stories.

Plan Review and Inspections

Please bear with us as we manage the needs of the building department with a contracted inspector and off-site plan review. We are still looking to hire a Town building official/inspector since Don has retired. Marty Joanou is assisting us with inspections at this time and plans are being sent off site to a plan review agency in Phoenix whom we've worked with in the past. Due to the schedules of these individuals/entities, permit issuance may take longer than it has in the past. If you know you are going to need an inspection, please call in as soon as possible to schedule it. Inspections are taking place Tuesday, Wednesday, and Thursday afternoons. Thank you.
